The Association of Accredited Small Business Consultants® (AASBC®) is proud to announce that Peter A. Kypreos of Kypreos & Associates Ltd. has fulfilled the requirements and passed the certification exam to become an Accredited Small business Consultant™ (ASBC).

By receiving the ASBC designation, Peter A. Kypreos has demonstrated the knowledge required in all core competencies of small business and (small-medium size enterprise) SME consulting to effectively assist clients in improving operations and achieving higher profits.

“By hiring an ASBC, accredited small business consultant, businesses are assured they are working with a professional who has the knowledge and expertise to help them reach their operational goals and maximize profits,” said Richard L. Weinberger, PhD, Chief Executive Officer, of the Association of Accredited Small Business Consultants and a member of its board of Advisors. *“By offering advice on increasing efficiency and profitability, the ASBC provides an extremely valuable service to small business and SME owners striving for success.”*

With its headquarters located in Austin, Texas, and offices in Washington, D.C., the Association of Accredited Small Business Consultants provides certifications to individuals who demonstrate proficiency in small business and SME (small-medium size enterprises) consulting. The AASBC is the only global association specializing in training and certification of small business and SME consultants.
